

PRODUCT FACT SHEET - 19mm MONO

19mm MONOCHROME

The 19mm monochrome LED sign is an affordable option for businesses and organizations that are looking to replace changeable copy boards.

The 19mm monochrome LED sign accommodates local zoning ordinances restricting LED displays to text or a single color.

Watchfire 19mm Wainfleet City Hall • 2' x 7'

FEATURES

Bright red or bold amber LED displays use over 4,000 shades to help create head-turning messages and through-hole LED construction maximizes image clarity and lengthens LED life. Universally sized modules make it easy to upgrade to color modules.

Streamlined design optimizes reliability. Modules have only two electrical connections to significantly decrease maintenance and increase uptime.

Ignite software comes free with every sign, offering convenient scheduling and content management.

ENGINEERED AND BUILT FOR RELIABILITY AND QUALITY

Every module is encapsulated for rugged durability in all kinds of weather. Cabinets are rated for temperatures ranging from -40°F to 140°F. Electronics are rated from -40°F to 185°F.

The average energy use equals about one-third of maximum amperage. All signs are UL 48 and CUL48 listed and UL Energy Efficiency Certified.

Displays are verified and comply with FCC regulations regarding emissions interference.

Watchfire's industry best 5-year warranty covers all Watchfire manufactured parts and factory labor. It comes standard with every LED sign we sell.
